RC Prints: Prints are made on Black and White RC (Resin-coated) cold tone paper and have a satin finish. Economical, long-lasting, durable images. Great for albums, scrapbooks, mounting, and framing. 75 Year lifespan.*

FB Prints: Prints are made on Ilford Black & White Warmtone Fiber Paper and receive archival processing. Fiber prints have a longevity of over 200 years.* Best option for framing and archival purposes.

Add Mounting: Prints are seal mounted on white archival mat board beneath a bevel cut overmat, then signed.

Add Mount & Frame: Protect prints under a white archival bevel cut overmat and shatterproof plexiglass, outlined by a streamlined black metal frame, ready to hang.

Digital Negative: Image is scanned, adjusted, and presented on a flash drive as a TIFF suitable for printing up to 11x14in. Includes a license for unlimited personal, non-commercial reproduction and use. Ivey Abitz retains copyright.

* Print longevity is based on paper manufacturer testing under ideal storage conditions. Ivey Abitz sells prints without warranty or promise of fitness for a particular purpose.
